

*P.O. Box 283, WARREN, Pa 16265*

Dear Member,

The club grounds are currently covered with snow but spring is just around the corner. The target league will soon start and we want you to be ready for shooting season. This is your reminder that it is time to renew your yearly membership for the 2020 season. Your membership helps cover taxes, insurance, and club maintenance repairs.

The archery range is open seven days a week with targets out to sixty yards. Your membership includes unlimited shooting in the practice range and from the tree stand. The membership prices will remain the same for another year. (single \$25, family \$30)

The successful target league will continue to be on Tuesday night. The cost of Tuesday's league will be eight dollars per night. This is the best way to come and meet some of the active members. The league has two classes and uses a handicap system for scoring for all types of shooters. The season will start May 4th to September ending with our club Championship. We look forward to new shooters to make the league even better than last year. We are working hard to improve the target course.

The web page is online at [www.warrenarcheryclub.com](http://www.warrenarcheryclub.com). This is the fastest way to get membership applications and news. The gate lock will change in March (our next so renew your membership and send it to our mailbox. I thank you for your support of the Warren Archery Club. Hope to see you at one of our monthly events.

Keep Shooting,

Kerwin Smith
